16th Annual HeART of Giving Gala Raises More than $340,000 for Families Who Depend on the Ronald McDonald House

Las Vegas, NV (November 5th, 2014) – If you've ever planned a large live event, then you know anything goes! But every once in a while, the stars align and the magic happens. That was the case with our 2014 HeART of Giving Rock "n" Roll Gala. The October 18th event, held at the Keep Memory Alive Events Center, honored Lotus Broadcasting and Vice President and General Manager Tony Bonnici.

The evening kicked off with cocktails, appetizers, and the electric cello duo of Bridge who played live classic rock music in the outdoor garden. That was followed by a live indoor concert by The Parametrics, dinner by the gourmet chefs of Cut and Taste, and a live auction. The entire evening had a fantastic vibe! With 350 people attending, the event raised over $340,000 for our Ronald McDonald House families. Congratulations to the RMHC Board and Staff for an amazing night, and our sincerest thanks to all who supported the evening's tremendous success.

We would like to acknowledge our fabulous 2014 HeART of Giving Presenting Sponsors: The Greater Las Vegas McDonald's Owner Operators Association and Lexus of Las Vegas. Special thanks also goes to our Platinum Sponsors: Private Bank by Nevada State Bank, Lotus Broadcasting, and Vector Media. And, our deep appreciation for our loyal Gold Sponsors: Bank of Nevada, CareMeridian, Cox Communications, e-gads!, IGT, NV Energy, Robertson+Partners, Southwest Gas Corporation, Southwest Medical Associates, and Sunrise Children's Hospital.

And finally, we'd like to give special recognition to our event volunteers and our in-kind donors, which include Southern Wine and Spirits of Southern Nevada, CORT Trade Show & Event Furnishings, 8 News Now, Keep Memory Alive Event Center and MGM Resorts Events Productions.

Don't stop believing that we could ever do this without your generous love and support!
