Pull together

POP TABS

Make a difference

RMHC Greater Las Vegas

Collecting pop tabs is a simple way to share our mission and support the importance of recycling while raising funds to help sick children and their families!

Why save pop tabs?

A pop tab is the small metal tab on the top of aluminum beverage cans. Ronald McDonald Houses collect pop tabs instead of entire aluminum cans because it is more hygienic to store tabs than cans, and collection and storage is easier. The program allows people of all ages to support RMHC and know they are making a difference for families and children.

What do we do with the pop tabs?

RMHLV collects these pop tabs to recycle. The proceeds raised from pop tabs benefits all of our Chapter's programs, including the House, Family Room, Care Mobile, and Scholarship Program.

It's easy to start collecting pop tabs, Here's how...

- Grab your container of choice, or stop by RMHC Las Vegas to pick up a Pop Tab House!
- Place the container at home, work, school or any location people drink canned sodas.
- Pull the pop tab off your can before recycling.
- Spread the word! #forRMHC
- Drop your donations off at the Las Vegas Ronald McDonald House!
